TABLETOP DISPLAYS / LCD

23.8-inch Desktop Menu Display

A 23.8-inch countertop LCD in an integrated L-shaped support, for visual menus, featured products and service information viewed at close range.

Generated product illustration. Final appearance and selected configuration require confirmation.

Installation: Tabletop

PARAMETER	PUBLISHED VALUE / OPTION
Environment	Indoor
Display technology	LCD
Screen size	23.8 inches
Display format	Countertop LCD
Structure	Integrated L-shaped support
Interaction	Touch configuration optional · confirm selected model
Power planning	Mains or optional battery configuration

Product highlights

• A countertop format that keeps the screen close to the service point.

• Use a landscape visual menu or a project-specific content layout.

• Select touch and battery functions only when the workflow needs them.

Specification notes

Planning specification: confirm the selected panel, enclosure, battery and software in the written quotation. The generated studio image illustrates the format and finish; it is not a weather test or a delivered-unit photograph.

Application and deployment planning

Applications: Café service counters · Restaurant menu highlights · Retail product counters

Content: Use appetising product photography and a small number of readable menu groups. For touch ordering, define the software integration separately from the menu display.

Deployment: Check the customer and staff sightlines, cleaning space and complete foot depth. Keep cables and any battery charging arrangement away from spill paths and food preparation.

Confirm before ordering

• Orientation, native resolution, stand dimensions and power position

• Touch requirement and application compatibility

• Battery chemistry, capacity, charge time and runtime at the agreed brightness

Warranty and project support

2-year factory warranty. Coverage, start date and service arrangements are documented in your order agreement.

Factory location: Bao'an District, Shenzhen, China. Contact us for the street address and a visit appointment.

Warranty scope and support procedure

Document basis

This sheet compiles the specifications and planning information published on the product page for this edition. Pending or configuration-dependent items remain subject to written confirmation; this is not a test report, certification or final order specification.
