INDOOR LCD PORTABLES / LCD

43-inch Mobile LCD Display

A slim 43-inch indoor LCD poster format for teams that reposition campaigns between shop floors, event reception areas and temporary promotional spaces.

Generated product illustration. Final appearance and selected configuration require confirmation.

Installation: Floor-standing

PARAMETER	PUBLISHED VALUE / OPTION
Environment	Indoor
Display technology	LCD
Screen size	43 inches
Screen layout	Single-sided portrait
Installation	Mobile floor stand
Handling	Final unit weight and lift points to confirm

Product highlights

• A compact portrait option for changing retail layouts.

• A slim frame keeps the campaign visually prominent.

• Compare the complete stand and handling needs before choosing a mobile display.

Specification notes

Planning specification: confirm the selected panel, enclosure, battery and software in the written quotation. The generated studio image illustrates the format and finish; it is not a weather test or a delivered-unit photograph.

Application and deployment planning

Applications: Pop-up retail · Event welcome areas · In-store product stories

Content: Use character animation, a product demonstration or a short promotional loop. Keep important content away from crop boundaries and review the first frame for idle playback.

Deployment: Map the route between storage and the display position. Confirm thresholds, floor surfaces, wheel suitability and safe moving procedures with the final assembly.

Confirm before ordering

• Verified total weight, carrying points and assembled footprint

• Panel resolution, brightness and media formats

• Mains or battery configuration and storage protection

Warranty and project support

2-year factory warranty. Coverage, start date and service arrangements are documented in your order agreement.

Factory location: Bao'an District, Shenzhen, China. Contact us for the street address and a visit appointment.

Warranty scope and support procedure

Document basis

This sheet compiles the specifications and planning information published on the product page for this edition. Pending or configuration-dependent items remain subject to written confirmation; this is not a test report, certification or final order specification.
