INDOOR LCD PORTABLES / LCD

55-inch Slim Mobile LCD Display

A 55-inch portrait LCD on a mobile support for larger indoor campaigns, with screen tilt and the complete wheeled footprint considered during layout planning.

Generated product illustration. Final appearance and selected configuration require confirmation.

Installation: Floor-standing

PARAMETER	PUBLISHED VALUE / OPTION
Environment	Indoor
Display technology	LCD
Screen size	55 inches
Screen layout	Single-sided portrait
Structure	Slim panel with mobile support
Screen position	Tilt arrangement to confirm

Product highlights

• A larger portrait format for product launches and showroom presentations.

• Move the campaign between approved indoor positions.

• Specify the tilt and base together rather than selecting on screen diagonal alone.

Specification notes

Planning specification: confirm the selected panel, enclosure, battery and software in the written quotation. The generated studio image illustrates the format and finish; it is not a weather test or a delivered-unit photograph.

Application and deployment planning

Applications: Car showroom campaigns · Shopping-centre promotions · Exhibition reception

Content: Build one main visual per slide with short supporting information. Test portrait video crops before scheduling a campaign designed originally for landscape screens.

Deployment: Check door clearances, lift access, the turning circle and the route to a power socket. Final unit weight and handling instructions belong in the selected configuration.

Confirm before ordering

• Overall height, net weight, base width and permitted tilt

• Panel resolution, brightness and operating schedule

• Power arrangement, player platform and transport protection

Warranty and project support

2-year factory warranty. Coverage, start date and service arrangements are documented in your order agreement.

Factory location: Bao'an District, Shenzhen, China. Contact us for the street address and a visit appointment.

Warranty scope and support procedure

Document basis

This sheet compiles the specifications and planning information published on the product page for this edition. Pending or configuration-dependent items remain subject to written confirmation; this is not a test report, certification or final order specification.
